

*Why We Volunteer*  
**annual report 2007-2008**

the  
**Gunnery**

**n i c h o l a s   m o l n a r   ' 7 2**  
CLASS AGENT

He volunteers his time at his alma mater for three reasons. First, he achieves a level of SATISFACTION RECONNECTING with faculty and friends. Second, he feels he is GIVING SOMETHING BACK for future generations. Finally, he feels FULFILLED in working with the school staff to advance school goals.

**HOW DID HE GET INVOLVED?**  
"I was sitting at my computer in 2000," said Nick, "and did a search on The Gunnery. While looking at the web site, I was pleasantly surprised at the recent progress on campus (i.e., campus plant, caliber of students)." Shortly after, Nick decided to become a class agent. He had a wonderful time reconnecting with former classmates. As time went on, he (and fellow alumnus Stephen Garvan), picked up multiple classes that didn't have class agents. Recently, he worked with Wykeham Rise alumna, Shelly Caroe, to get her classmates back into the school community.

"I am helping an organization that is a benefit to society. It was also one that I personally benefited from. This school develops well educated students to bring society to a better point than it is at today." For his efforts, in 2004, Nick was honored with The Gunnery's Alumni Award.

**s u p p o r t i n g  
t h e   g u n n e r y**

Our generous donors support the school in many ways. The Gunnery receives gifts in support of the Annual Fund, capital projects and the endowment. Each year these gifts play a vital role in helping the school achieve its educational mission.

**the head's circle**

Established to express the deepest appreciation and heartfelt gratitude of The Gunnery for the donors who have made cumulative cash gifts (combined capital, endowment and annual giving gifts) exceeding \$100,000 during their lifetime. The vision of these very generous donors enables The Gunnery to continue to support Mr. Gunn's mission.

FORMER GUNNERY  
TRUSTEE (2002-2007)

NEW YORK CITY  
ALUMNI ASSOCIATION

Among her many duties as a Gunnery volunteer, Rebecca Weisberg '90 names "Event Planner" as her favorite. She has been instrumental in heading several alumni-based events in Manhattan including the New York City Alumni & Parent Reception and the NYC Theater Party.

She works alongside the Advancement Office in the planning, marketing, and hosting of the event. "Seeing the alumni, parents, and faculty socializing, laughing, and having a good time gives me a great sense of satisfaction," she said. "All my work really pays off when I see that."

Since joining The Gunnery as a Class Agent in the late 90's, Rebecca has become one of the school's strongest supporters. She had the distinction of being the first alumna from the 1990's elected to the Board of Trustees.

a message from the president,  
board of trustees

*Dear Gunnery Family & Friends,*

So many people helped to make the Annual Fund a success. Alumni, parents, grandparents, students, faculty, staff and friends have all played a significant part. Thanks to you, this has been another record year for the Annual Fund. This achievement reflects the strength of the school, the commitment of our faculty, the excellence of our students, and the inspiring leadership of our Head of School, Susan Graham.

Thanks to you, this has been another record year  
for the Annual Fund.

The Gunnery experience continues to prepare young men and women for their futures in a very personal and special way. We continue to help our students develop their character, courage and resilience. Thank you again for your generous support. It is deeply appreciated.

Regards,

Stephen W. Baird '68  
President, Board of Trustees

This society, named to honor David N. Hoadley '51 who has selflessly served his school as Chairman of the Annual Fund since 1985, has been established to recognize individuals who have donated to The Gunnery's Annual Fund for five consecutive years. One of The Gunnery's most loyal sons, David serves as a shining example of a great steward of his school's future.

CLASS AGENT  
 THE GUNNERY COUNCIL  
 MEMBER

**I went to a public high school before coming to The Gunnery. The overall core culture of The Gunnery was close-knit. You really felt like part of a community and family there. You don't get that at a public high school. The Gunnery also had a profound impact on getting me into college. I wanted to give something back.**

**"To me, EDUCATION WAS THE MOST IMPORTANT THING IN MY LIFE," said David Hoadley. "Because I went to The Gunnery, I went to Yale. It shaped my life. Why wouldn't you want to give to a place that gave so much to you."**

CLASS AGENTS

Since 1982, David has been working tirelessly on the Annual Fund. During his first year, \$320,000 was raised. Shortly after being appointed the Chair of the Annual Fund, Harry Jones joined David in growing it to what it is today. "David and I go way back to the 50's," said Harry. "I told David I would work with him as long as I don't have to make any speeches." According to David, "Harry is a wonderful steward for the school. He and I have developed a great working relationship over the years."

Like his fellow co-chair, Harry carries a close connection to the school. "I became involved with The Gunnery in 1981. My classmate, Ted Koven, and I returned to play in a Gunnery student/alumni soccer game. From there, I became involved. My son Harry graduated in 1989. That brought me even closer to the school."

## a message from the chair of the development committee

*It is with pleasure that I extend thanks to all who participated in this record year.*

Our Annual Fund surpassed last year's achievement by 13%. Over 1,000 alumni, parents, past parents, grandparents, and friends made a gift to the 2007-08 Annual Fund, showing their strong support for The Gunnery. Above and beyond the Annual Fund, The Gunnery also received support for capital improvements and the endowment. Every gift makes an impact on the educational experience provided to our students. Your commitment to our school is remarkable, and I am grateful to you for your generous support.

## Every gift makes an impact on the educational experience provided to our students.

In addition to the many volunteers who worked on behalf of our fundraising efforts, I would like to extend a special thanks to our Director of Development, Thomas Hollinger for his tireless leadership of the Development Office for the past 20 years. We could not have enjoyed our many fundraising successes without Tom's thoughtful guidance. I know you will join me in celebrating our past and approaching our future with confidence.

Regards,

C. Russell McKee, '72 & P '06  
Development Committee Chair

## t h e a n n u a l f u n d

The Annual Fund provides essential operating support to The Gunnery. Unlike capital monies, these unrestricted funds are spent in the year in which they are raised. Every dollar is put to immediate use supporting faculty compensation, academic programs, financial aid for students, and a host of other items needed to run the school. The tuition and fees paid per student do not cover the actual cost to educate each student. The Annual Fund provides every student with a "silent scholarship" to make up the gap. To illustrate the impact of our Annual Fund — the school would have to more than double its current endowment of \$20 million to earn the same \$1.2 million the Annual Fund raised this past year.

TRUSTEE

I consider the trustee appointment a great honor. We (the trustees) have one thing in common. We love The Gunnery and want to give something back ... I feel our success will rise or fall by getting more people involved. It's very easy to talk about our school in a positive manner because I love it. There is a warmth here that other schools don't have.

## the parent committee auction

When asked why she volunteered to work on the Parent Auction, Leigh Graham P '09 said, "I am the type of parent who always got INVOLVED at my child's school." Laurie Ryer P '07 & '09 felt that with her previous experience in fundraising, SHE COULD MAKE A DIFFERENCE. "This is my fourth year of co-chairing the Parent Auction with DeeDee Hill P '07 & '10," said Laurie, "and I am extremely proud of our growth.

The auction is a collaboration between the auction committee and almost every department in the school." Laurie, DeeDee, Leigh, and Dana Dayton P '00, '03, '08 & '10 are the driving leadership behind this mammoth project. DeeDee describes it as "the social event of the year."

Each member of the committee has their own unique talents and skills. "I like to brainstorm new and fun ideas with the committee," said Laurie. DeeDee and Dana have the nuts and bolts experience from their auction time at Rumsey Hall. Leigh is a very hard worker and incredibly reliable. She works with DeeDee on the logistics and processing of items."

All of the volunteers agree that new blood is a wonderful thing. "I would encourage anybody with a little bit of time to give back to the kids," said Leigh. "I've really enjoyed meeting and making friends with the volunteers. We all really get along."

"This is Leigh's and my last year," said Laurie. "I'm excited to see what next year's parents bring to the party. There is room for growth, and I have no doubt it will get better and better."

Several parents volunteered their time and talent to the 2007 Parent Auction. They included Kay Caroe, Charlene DeGrazia, Ted DePaolo, Kate Grandin, Betsy Johnson, Jeri Kirk, Susan Lussier, Lynn O'Neil, Adrienne Parkman, Karen Prado, Charlene Sarris, Nancy Stein, Karen Tesch, and Chris Tolley.

THE GUNNERY  
COUNCIL MEMBER

Your involvement and willingness  
to help can make a difference.

Participation at any level is highly

GRANDPARENT'S CHAIR,  
ANNUAL FUND

Michael and Lynn Ryer were IMMEDIATELY IMPRESSED upon their first visit to The Gunnery: first, by the physical plant, second, by the faculty. They knew that THIS WAS A SPECIAL PLACE. They decided to GIVE SOMETHING BACK after seeing what the school had done for their grandsons.

Since 2006, they have solicited the grandparent constituency for Annual Fund donations. "My wife and I have always volunteered our services," said Mr. Ryer. "So when The Gunnery asked for our help, we were glad to volunteer." The Ryers have volunteered their time with other organizations in the Ridgefield, CT area including Buildings and Beyond, Chamber of Commerce, and the Ridgefield Visiting Nurses Association. For the latter, Mr. Ryer is the Chair of the Development Committee while Mrs. Ryer works with Accreditation.

And what is Mr. Ryer's message to those who have never volunteered? "You achieve a great satisfaction through donating your time. You also get to see what your hard work does for the organization."

## capital support

Gifts for capital purposes support the renovation and construction of campus facilities and provide support for special campus projects and equipment not covered by the school's operating budget. This past year gifts for capital support have been directed to recent construction projects such as upgraded technology (Broadband width), enhancements to faculty apartments, renovation to the art department dark room, construction of environmental classroom, and athletic equipment. As we continue to implement our strategic plan, we will rely on increased capital giving to support planned campus improvements.

## capital giving

THE GUNNERY  
 COUNCIL MEMBER  
 CLASS AGENT

**My parents (John & Rose Dufour) were very active at The Gunnery when my brother, sister, and I were there. That definitely influenced me to get involved. Eventually, I will be able to increase my donations, but this is my way to give back to the community now.**

— on volunteering to be on The Gunnery Council

## endowment

The Gunnery's endowment provides an essential and reliable source of annual income to support students, faculty, and programs. These funds are invested and carefully managed to provide a source of income in perpetuity. Currently the school uses approximately 5% of the endowment fund income to help balance the budget. Donors have established endowed funds to support student financial aid, faculty chairs, faculty sabbatical programs, and student prize funds. The endowment fund is critical to the school's future, and its growth over the coming years will be increasingly important to give us the added financial security we need to excel.
